RE: Bayonne Barrel & Drum Superfund Site - Information Request
Addressed to Converters Ink c/o Zeneca Specialty Inks

Dear Mr. Cosentino:

On behalf of my client, Zeneca Specialty Inks, I write to follow up on my conversation with Donna Murphy, TRC Environmental (contractor staffing the Bayonne Barrel & Drum Hotline), concerning this matter. I requested that the agency provide Specialty Inks an extension of time in which to respond to the request issued pursuant to CERCLA §104(e). Ms. Murphy advised me that she conferred with agency representatives and that an extension of time in which to respond has been granted, and that the response of Specialty Inks is now due Friday, November 10, 1995.

Thank you. Please do not hesitate to telephone if you have any questions.

Very truly yours,

Michael F. Reilly
